Isn't it a good feeling knowing you've got you and your family's dental care sorted?

As a family-run practice, everyone here at 3SL Dental appreciates that you'll always put your family's well-being first. You'll be pleased to hear you can trust us to do the same.

We are passionate about helping you all look and feel your very best. Our experienced team takes a gentle, informal approach to all aspects of dental care. We make every effort to help every patient feel relaxed and comfortable at all times – that's the case for adults, children and, most of all, nervous patients. To us, it's all about making every visit a happy experience.

For you
and your
family.

Healthy teeth and beautiful smiles all round.

You're making the right choice with 3SL Dental. That's because we offer the very highest standards of treatment. We provide excellent preventive dental care with meticulous attention to detail and expert advice from our team. We provide superb specialist restorative treatment and exceptional cosmetic dentistry – such as white fillings, tooth whitening, veneers and inlays.

But most important of all, we have one clear objective. That's to give you a beautiful smile that will fill you with confidence. We'll offer you options for treatment that are clearly explained, to help you decide what is the right treatment for you and your family.

Award -
winning
expertise

You're in good hands here
at 3SL Dental.

Our experienced team are able to offer specialist expertise, advice and excellence in preventive dental care, restorative treatment and cosmetic dentistry. But don't just take our word for it. Our team members include a finalist in 'Dentist of the Year competition', winner of 'Practice manager of the year' and winner of 'Dental nurse of the year' national awards.

Offering specialist expertise means everything you could want for a beautiful smile is all here under one roof, without you having to be referred elsewhere. We provide a completely 'joined-up' service, ensuring you and your family enjoy faster, smoother and more economical treatment with added peace of mind.

Helping
you spread
the cost

A range
of easy to manage
payment options.

Naturally, we appreciate that choosing the best dental treatment and care is never going to be the cheapest option available to you. We're not that kind of dental service.

So we've taken the time to create a number of financial packages for you to choose from. All make paying for treatment more manageable, and we're confident you'll find a package that will suit your family budget best.

Always
look your
best.

Helping you look years younger

Natural beauty comes in many forms, and nature sometimes needs a helping hand. At 3SL Dental, we offer a wide range of non-surgical facial treatments which can take years off your skin, without taking it out of you.

Our simple treatments can give you a fresher and younger-looking appearance. We can smooth frown and laughter lines with tiny injections. We can refresh and rejuvenate your skin and lips with tiny injections. We can help you achieve a healthy, natural complexion that will have you glowing with confidence.

All our facial rejuvenation treatments begin with a one-to-one consultation, so that you can ask the questions you want and get all the information you need.
